The advertisement is a screenshot of the Manuscript Peer-Review Process (MPRP) website. At the top, there is a navigation bar with the following links: About MPRP, Journals, Support and Training, Contact us, Track article status, Register, and Login. The main content area features a section titled "Manuscript Peer-Review Process" with a sub-header "Manuscript Peer-Review Process". The text describes the MPRP as a web-based portal accessible 24/7, providing editorial services like pre-publication, editorial workflow, and post-publication services. It highlights the flexibility of the platform, allowing users to select services and integrate them into their existing workflow. A small illustration shows a person sitting at a desk with a laptop, surrounded by icons representing various services. Below the text, there is a section titled "Why MPRP?" with a sub-header "Why MPRP?". The text explains that MPRP manages authors, reviewers, and editors' details and integrates with social and professional networks. It is an in-house product of IP Innovative Publication Pvt. Ltd. and is currently running with around 50+ Journals. At the bottom, there is a small line of text: "If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your".

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
